

CAD DATA TRANSFER FOR WALKER TOOL & DIE

Walker Tool & Die is currently using [Siemens NX](#) (Unigraphics) as the primary CAD/CAM system for designing and building dies.

Walker Tool & Die is capable of receiving CAD data in all versions of the following formats:

(Listed in order of preference)

- 1st: NX (Unigraphics)
- 2nd: Catia V5
- 3rd: Parasolid
- 4th: STEP
- 5th: IGES
- 6th: Catia V4
- 7th: DXF/DWG

Note: Solids are requested instead of surfaces whenever possible.

Walker Tool & Die has the following methods available for receiving CAD data:

- E-mail: design@walkertool.com
- FTP: <ftp://ftp.walkertool.com> (please have us setup an account for you first)
- DVD or CDROM

If you have any questions regarding this information, please contact:
